

Murphy Hernandez (they/them) works as **Youth Programs Manager** for Lambda Archives. Murphy has over ten years of experience in non-profit programming, volunteer work, and art & design for social impact. Murphy has dual AAs in arts & humanities and liberal arts and is currently continuing their degree in Sociology part-time. Murphy is passionate about serving the LGBTQ+ community and Disability community; as well as serving youth/young adults experiencing medical trauma, relationship trauma, and housing instability. In their free time, Murphy enjoys spending time with their partner, dog, and friends, as well as making sustainable fashion and other crafts, cooking, reading (esp. comics), exploring San Diego's art, picnic-ing, playing softball with AFCSL, and volunteering.
